In Attendance Chair Linda Lockhart
 Village Commission Chair Dave Chaulk
 Village Commissioner Les Barrett
 Water Commissioner Marvin Messom
 Village Solicitor Paula Howatt
 Superintendent of Public Works Peter Pothier
 Clerk Treasurer Terry Silver

Regrets: Water Commissioner Bob Horne

CALL TO ORDER

Chair Lockhart called the meeting to order

PURPOSE OF THE MEETING

Chair Lockhart stated that this meeting was called as the result of a presentation made by Ms. Marnie Parker, on behalf of property owners at 5664 Prospect Road, at the regular Water Commission meeting held January 24th, 2007. She stated Ms. Parker has asked the Water Commission to reimburse the Schofields for their expenses to connect to the Village's sewer system as well as all expenses they have incurred to date.

Discussion took place pursuant to Ms. Parker's request and details outlined in her presentation. T. Silver advised that Ms. Parker advised her she reconsidered and decided to not supply the Village with the Disclosure Statement, stating these items would not be pertinent to her request. T. Silver advised further that Mr. and Mrs. Schofield have provided the Village with these documents and the contents were discussed.

It was moved by L. Barrett, seconded by M. Messom, that, based on the contents of the Disclosure Statement and in light of the non-compliance of the Village of New Minas Sewer Bylaw, the Village has no liability for any compensation to the Schofields. MOTION CARRIED

P. Pother stated he and his staff will assist the Schofields, in the same manner as any other property owner requesting assisting, and will do everything they can to get them connected.

ADJOURNMENT

On motion of M. Messom, the meeting adjourned

L. Lockhart, Chair

T. Silver, Clerk Treasurer
